## B. Field Services

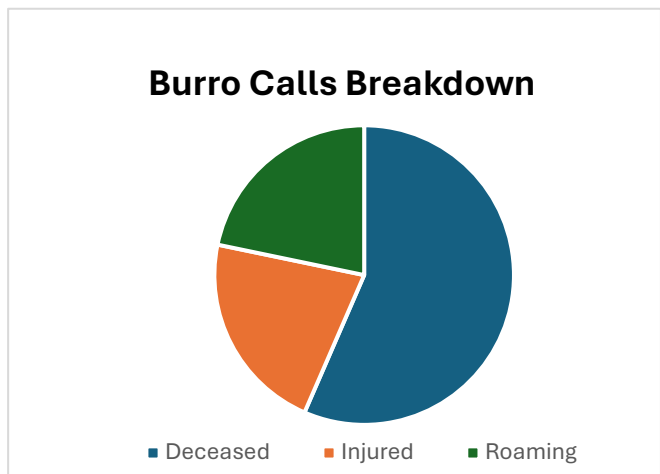

Field Services operates on a 7-day, 24-hour calls for service model based on the level of priority on all calls received. Six full-time Animal Control Officers (ACOs), one Animal License Inspector and one Field Services Supervisor currently serve the city. ACOs rotate on-call assignments in response to allied agency requests and high priority calls after hours. During normal business hours, Animal Control Officers respond to both routine and high priority service requests.
