The TAX RAISERS make the same false and misleading argument that the GOVERNMENT needs more of your money! The City of Moreno Valley has a balanced budget for a dozen years. The TAX RAISERS claimed over 30 years ago the Utility tax would fund Public Safety, then the Hotel Tax would cure the problem, that failed! Now they want to try the same failed solution a third time with a sales TAX INCREASE! Oh the insanity...

Moreno Valley has plenty of money to provide Police & Fire protection! Police and Fire have had substantial increases in the last 3 years, with NO TAX INCREASE!! Yet the City Council has spent over \$250,000 on Murals, talk about waste of public funds, still they crave more of your \$\$\$!

The #1 job of the City is to provide public safety per the California Constitution! If they violate that they are derelict in their duty and NOT upholding their oath of office, when swore to protect you!

Police and Fire have had substantial increases in the last 3 years, with NO TAX INCREASE!

Do NOT buy the scare tactics used to fleece you out of more of your money, in these inflationary times, when we the people have had to do more with less!

Sales taxes in Moreno Valley are lower than Riverside, the proponents of this tax want you to pay more for most products like the failed policy of our neighbors!
